## Comments from teachers who have used 'English Language Skills - Level One':

'a very practical and user-friendly course book which has fun and useful activities.'

*Maria Moroni-Philpotts, ESL teacher, Bankstown Technical and Further Education college (TAFE)*

'It's an excellent resource. The students have enjoyed and learnt from all the related activities which recycle vocabulary using sound relevant topics. We've really appreciated the guidance and gradual building of vocabulary. The layout encourages students to become more independent as they progress through the units. The students really love it because they understand what's going on which means less 'teacher talk!'

*Marie Maguire, ESL and Language Literacy, Numeracy teacher, Campbelltown TAFE*

'Having used this book with four different Level One classes, I can say that it is a wonderful resource which builds confidence in even the slowest learner.'

*Kim Alexander, ESL teacher, Blacktown and Penrith Technical and Further Education colleges*
