We all know that one rainy day Incy Wincy Spider
was washed down a water spout.

That adventure must have really worn him out.

But the very next day...

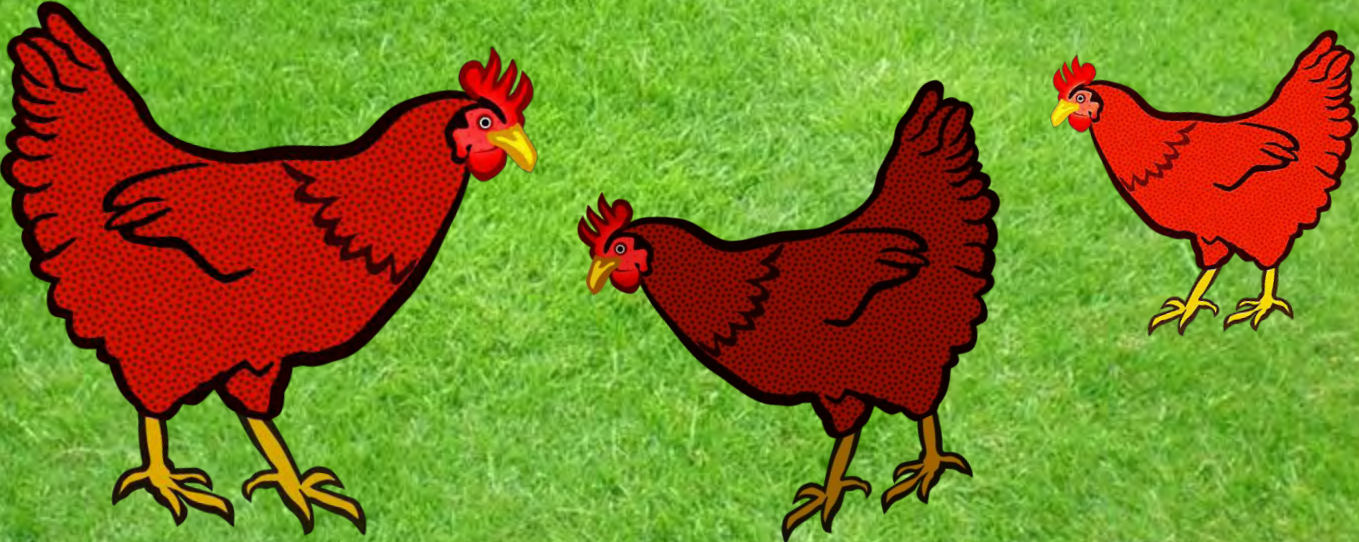

Incy Wincy Spider was ready to play.

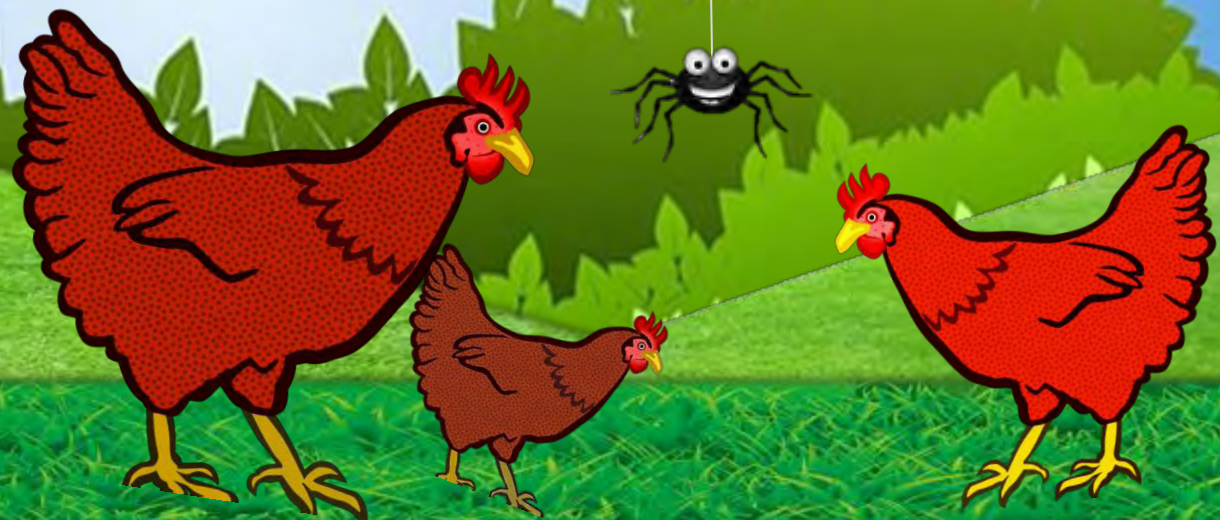

On Monday...

🎵 Incy Wincy Spider was in a playful mood,
and saw some chickens foraging for food.

♪ He dangled in *between* them,
swinging in the breeze...

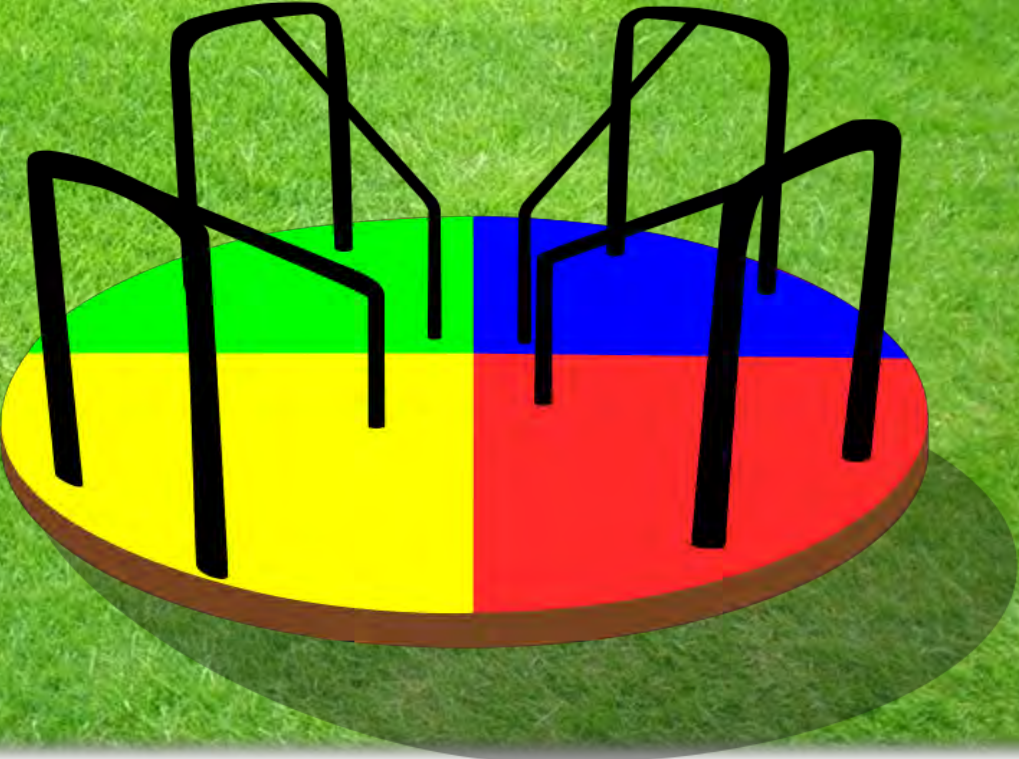

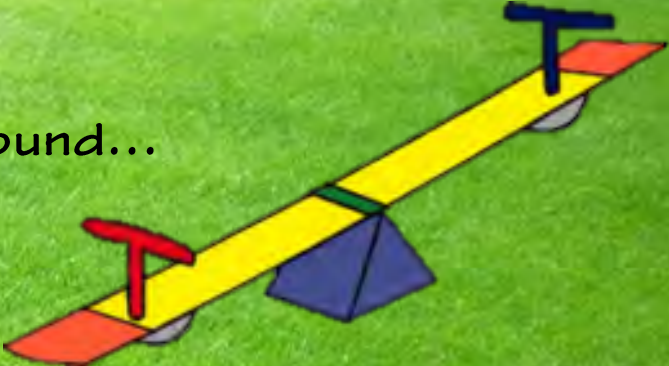

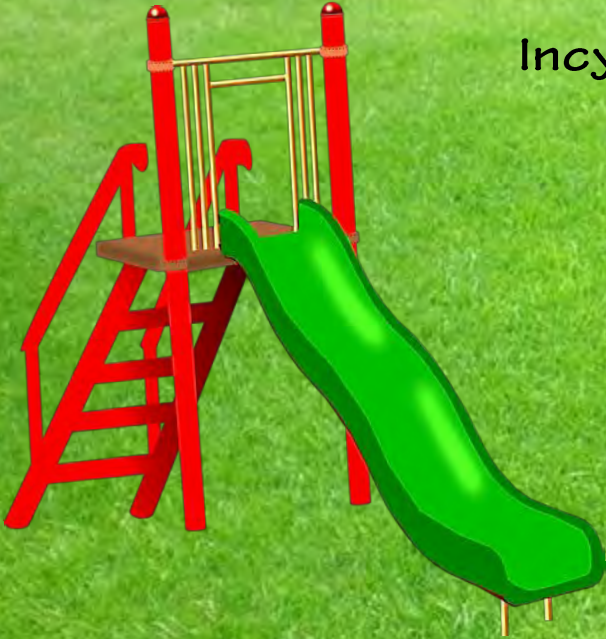

♪ but nearly got gobbled, escaping to the trees.

On Tuesday...

Incy Wincy went to a playground...

🎵 Incy Wincy Spider found a merry-go-round
and got quite dizzy whirling round and round.
When Incy fell and bumped his little head,

♪ he went back to his web
and had a sleep instead.

Wednesday was warm...

🎵 Incy Wincy Spider went to a sunny beach.

The sand felt hot, making Incy screech.

Running to a pool, he cooled his little feet.

🎵 Then he settled in the shade,
soaking up the heat.

On Thursday...

A colorful illustration of a spider named Incy Wincy on a raft made of three logs, floating on a blue lake. The spider is holding a red paddle. The scene is set in a lush green landscape with a large tree on the right, rolling hills in the background, and many brown and yellow leaves falling from the tree and floating on the water. The sky is a mix of blue and yellow, suggesting a bright day.

🎵 Incy Wincy Spider floated on a lake.

A cold wind blew, making Incy shake.

Thunder roared, making Incy jump.

So he paddled to the shore
and sheltered in a stump.

*On Friday, Incy Wincy saw
something on the driveway
and took a closer look...*

♪ Incy Wincy Spider climbed underneath the car.
He got a big fright when he felt the engine start.

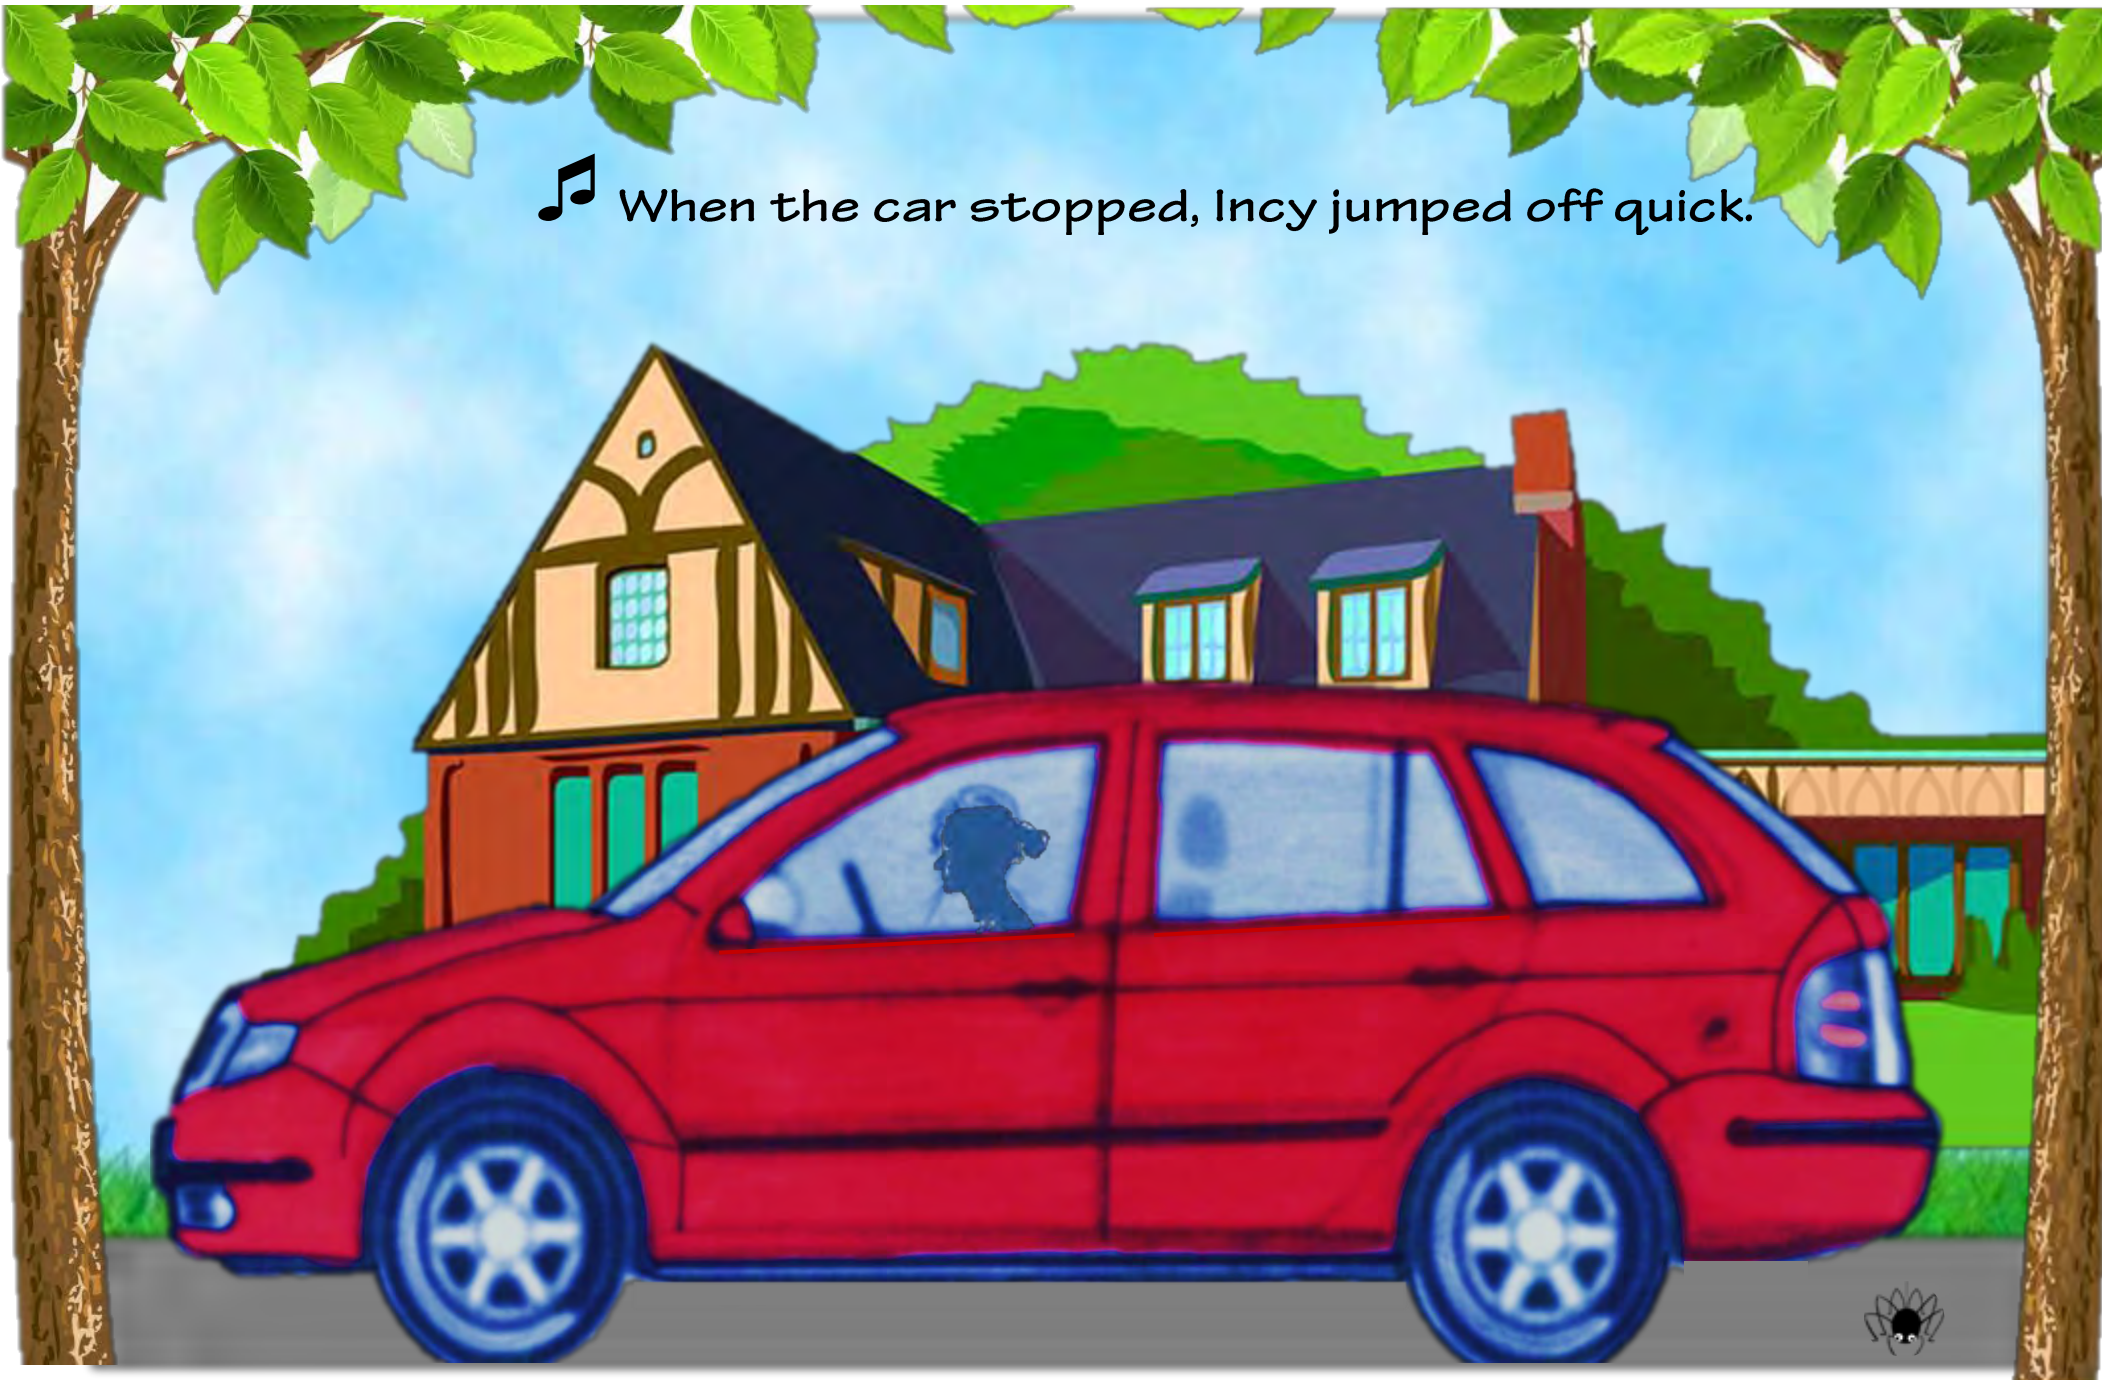

♪ The car took off, so Incy held on tight,
going round the bends, turning left and right.

♪ Incy Wincy Spider was shaking quite a lot.
His eight little feet were getting very hot.

♪ When the car stopped, Incy jumped off quick.

♪ He won't do that again. It was a silly trick!

Saturday was windy again.

A vibrant autumn scene featuring a green field, a tree with falling leaves, and a spider on a leaf. The sky is blue with white clouds. A large white speech bubble contains the text. The spider is black with white eyes and is positioned on a large yellow and orange leaf. The background shows a tree with many colorful leaves (red, orange, yellow) falling from its branches. The field is green and has many fallen leaves scattered on it. The sky is a bright blue with scattered white clouds. A tree with green leaves is visible in the top right corner.

♪ Incy Wincy Spider was in a field today.

The wind went *whoosh*, and floated him away.

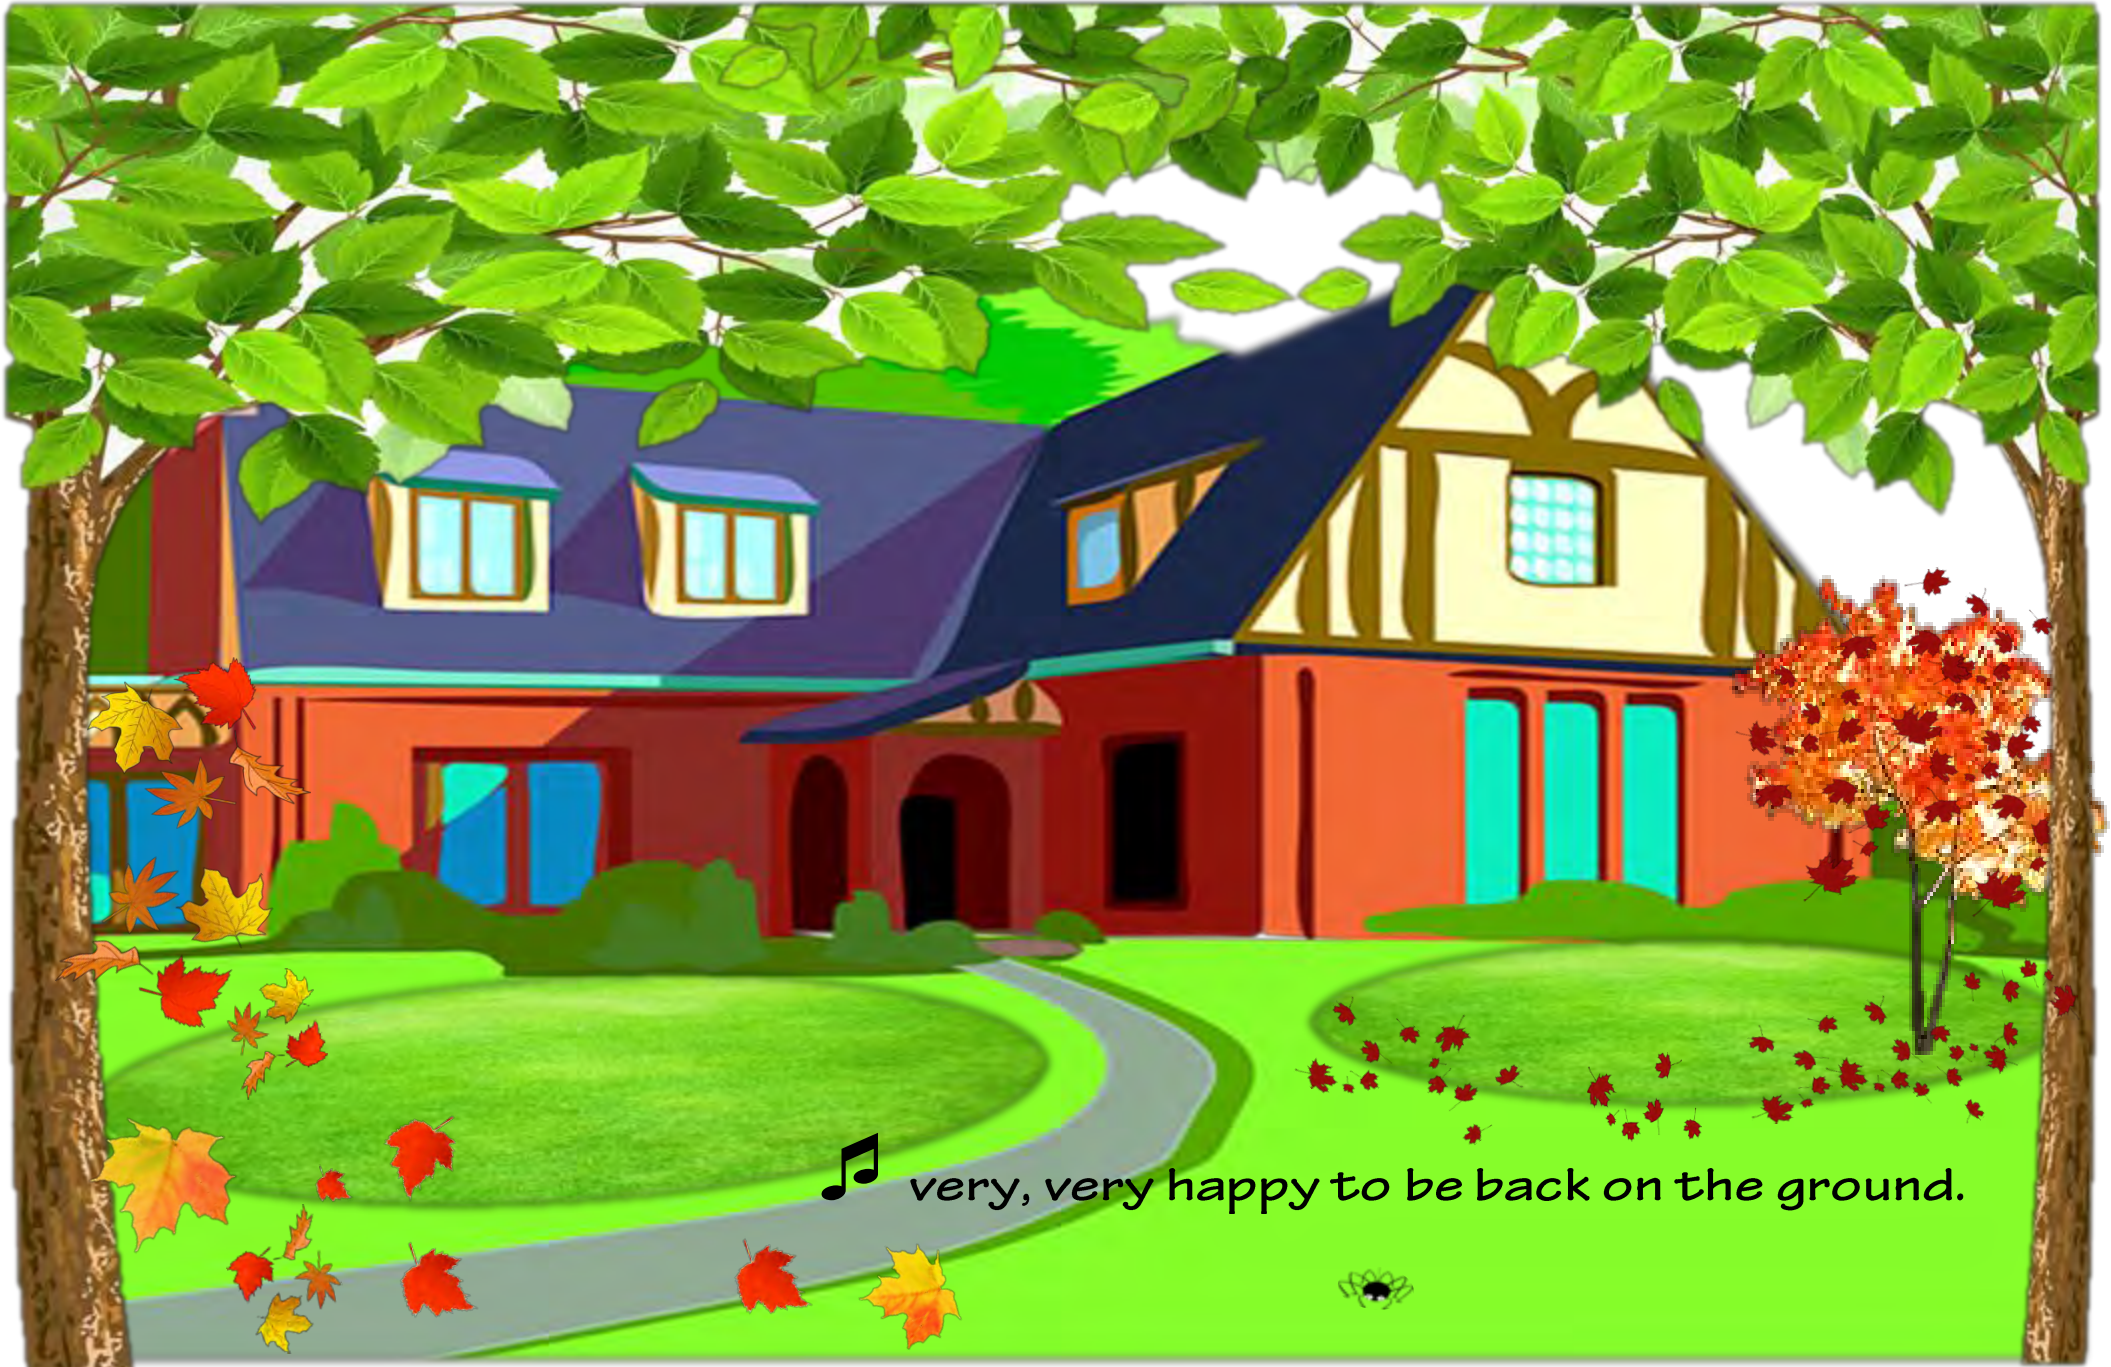

♪ Before he knew, he was gliding on a leaf
watching the world, move along beneath.

 Incy Wincy Spider knew nothing could be done
but ride this out and try and have some fun.

♪ When the wind stopped, Incy floated down...

very, very happy to be back on the ground.

On Sunday something very scary happened.

♪ Incy Wincy Spider was in his web on day
when a boy ran through it, sweeping him away.

♪ Incy Wincy Spider shook from limb to limb,
then he saw the little boy was just as scared as him.

♪ 'Best if I get down from here, it's not the place to stay!'
thought Incy Wincy Spider as he jumped and ran away.

♪ He went to tell his friends about his very scary day,
and warn them not to make their webs where the children play!

Teaching suggestions:

- After finishing the book for the first time, ask children which was their favourite Incy Wincy adventure. Ask them why it was their favourite adventure.
- As you read the story a second time, introduce the Incy Wincy Spider tune when you see the music symbol . Encourage children to hear the rhyming words by pausing at certain places in the song and waiting for them to say the word that finishes the line. For example:
 -  Incy Wincy Spider was in a playful mood,
and saw some chickens foraging for _____ (food).
 -  He dangled in between them, swinging in the breeze...
 -  but nearly got gobbled, escaping to the _____(trees).
- As you read the story again, revise days of the week by asking 'Which day of the week comes next?'
- Encourage discussion about spiders by asking children if they have ever walked or run through a spider's web. This could introduce research about how spiders make their webs and/or a discussion about insect and spider safety in the garden.
